Greetings Chairman Jenvold: I'm forwarding a digital copy of the letter the EPA Region 8 Water Division is mailing to you regarding the Upper Sioux Community's interest in consulting on EPA Region 8's Dewey Burdock In-Situ Draft Permits re-issued in 2019.

Given the Tribe's stated interest during a February 22, 2016 webinar with EPA, please let us know if you are still interested in scheduling consultation with EPA Region 8 by contacting our offices as soon as possible. In the letter enclosed, the Region asks for your response by March 6, 2020, in communicating the Tribe's interest to consult with the expectation that we would hold a consultation meeting with you by April 30, 2020 to inform our Final Permit decisions later this year.

Please let me know if you have any questions, or feel free to reach out to Darcy O'Connor at (303) 312-6392 or [occonnor.darcy@epa.gov](mailto:occonnor.darcy@epa.gov), or Kim Varilek at (303) 312-6264 or [varilek.kimberly@epa.gov](mailto:varilek.kimberly@epa.gov).

We look forward to hearing from you as soon as possible and preferably by March 6, 2020.

Sincerely,
